

Would you like to get involved?

We are looking for new members for the NW Safeguarding Adults group which meets every other month with membership drawn from local agencies and service users in Spelthorne, Runnymede, Woking and West Elmbridge. We are aiming to ensure that at a local level the framework to Safeguard Vulnerable Adults is working well. We review local practice and identify how to improve services in relation to Safeguarding Adult issues. We also raise awareness of Safeguarding Adults and are planning events for the 2010 Safeguarding Adults week.

We currently do not have any service user representation which is something we are keen to change. We are holding a 'meet and greet' session on 8 April at the Runnymede Centre where we will meet with existing and potentially new members to share ideas about the group and what we would like to include on the agenda for future meetings.

If you would be interested in attending please contact Sally Benham via e-mail (Sally.Benham@surreycc.gov.uk) for further information.
